ARC GROUP WORLDWIDE, INC. ANNOUNCES RESCHEDULED EARNINGS RELEASE DATE AND CONFERENCE CALL

LONGMONT, CO – September 24, 2014 -- ARC Group Worldwide, Inc. (NASDAQ: ARCW), a leading global provider of advanced manufacturing and 3D printing solutions, announced today it has rescheduled the publication of its fiscal fourth quarter earnings release for Wednesday, October 8, 2014. Similarly, the Company announced it will now hold the related conference call on Wednesday, October 8, 2014 at 5:00pm Eastern time.

The process of integrating financial information from the acquisitions of Advance Tooling Concepts, LLC, Thixoforming LLC, Kecy Corporation, and 411 Munson Holding, LLC by the Company during the fiscal year ended June 30, 2014 has required additional time for completion of the financial close process.

The rescheduled dates will provide the Company, along with its new auditor, new tax advisor, and independent valuation experts, additional time to integrate the Company's financial results into the consolidated financial statements of the Company following the completion of these acquisitions during the fiscal year ended June 30, 2014.

All interested parties can call 888-438-5525 and use code 6260781 to listen in. A transcript of the conference call will be available on the investor relations section of the Company's website approximately twenty-four hours following the end of the conference call.

About ARC Group Worldwide, Inc.

ARC Group Worldwide is a leading global advanced manufacturing and 3D printing service provider. Founded in 1987, the Company offers its customers a compelling portfolio of advanced manufacturing technologies and cutting-edge capabilities to improve the efficiency of traditional manufacturing processes and accelerate their time to market. In addition to being a world leader in metal injection molding ("MIM"), ARC has significant expertise in 3D printing and imaging, materials science, advanced tooling, automation, machining, stamping, plastic injection molding, lean manufacturing, and robotics. IMPORTANT INFORMATION

This press release may contain "forward-looking" statements as defined in the Private Securities Litigation Reform Act of 1995, which are based on ARC's current expectations, estimates and projections about future events. These include, but are not limited to, statements, if any, regarding business plans, pro-forma statements and financial projections, ARC's ability to expand its services and realize growth. These statements are not historical facts or guarantees of future performance, events or results. Such statements involve potential risks and uncertainties, and the general effects of financial, economic, and regulatory conditions affecting our industries. Accordingly, actual results may differ materially. ARC does not have any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. For additional factors that may affect future results, please see filings made by ARC with the Securities and Exchange Commission ("SEC"), including its Form 10-K for the fiscal year ended June 30, 2013 and Form 10-Q for the period ended March 30, 2014, as well as current reports on Form 8-K filed from time-to-time with the SEC.
