ARC GROUP WORLDWIDE TO PRESENT AT JEFFERIES 3D PRINTING SUMMIT

DELAND, FL., March 21, 2016/Marketwired/--ARC Group Worldwide, Inc. ("ARC" and the "Company") (NASDAQ: ARCW), a leading global provider of advanced manufacturing and 3D printing solutions, announced today that it will present to investors at Jefferies 3rd Annual 3D Printing Summit on March 29, 2016 in New York City. The summit will feature 1-on-1 and small group meetings with leading public and private companies in the space, bringing together institutional investors and senior executives to address trends, developments, and investment opportunities in 3D printing. The event will be hosted by Jefferies 3D printing research analyst, Jason North.

In order to obtain more information about the invitation-only summit, please contact your Jefferies representative or ARC at InvestorRelations@ArcGroupWorldwide.com.

Forward Looking Statements

This press release may contain "forward-looking" statements as defined in the Private Securities Litigation Reform Act of 1995, which are based on ARC's current expectations, estimates, and projections about future events. These include, but are not limited to, statements, if any, regarding business plans, pro-forma statements, and financial projections, including ARC's ability to expand its services and realize growth. These statements are not historical facts or guarantees of future performance, events, or results. Such statements involve potential risks and uncertainties, and the general effects of financial, economic, and regulatory conditions affecting our industries. Accordingly, actual results may differ materially. ARC does not have any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. For further information on risks and uncertainties that could affect ARC's business, financial condition and results of operations, readers are encouraged to review Item 1A. – Risk Factors and all other disclosures appearing in ARC's Form 10-K for the fiscal year ended June 30, 2015 and Form 10-Q for the period ended December 27, 2015 as well as current reports on Form 8-K filed from time-to-time with the Securities and Exchange Commission.
